Cookie Policy

This website (“www.fondation-ipsen.org”) uses anonymous analytics, including cookies generated by Google Analytics. Cookies are small data files which are placed on your computer, smartphone or other device. Cookies are stored on the hard disk of your device without any risk of damaging it.

By entering the Website, you agree to the use of cookies by Fondation IPSEN / Fondation de France, the data controller in relation to the cookies placed on your device.

Cookies allow us to collect automatically certain user data during your use of the Website, such as:

- The IP address of the user (this address, which allows access to the Internet, is assigned to the device of the user by the Internet service provider and the information, which changes according to the session of the user, is not personally identifiable);
- The date and time of the visit of the user to the Website;
- The operating system of the user’s device as well as its browser;
- How the user accesses the Website.

Two types of cookies are used:

Strictly necessary cookies: These cookies are essential in order to enable you to move around the Website and use its features.

Performance cookies: These cookies collect information analytics about how visitors use the Website.

These cookies don’t collect information that identifies a user. All information these cookies collect is aggregated and therefore anonymous.

Therefore, Fondation IPSEN / Fondation de France collects anonymous user data on the Website (or anonymous information), such as the pages that you visit and the searches that you undertake. These data are anonymous since it will in no event enable personal identification of the user of the Website.

We use this anonymous information to help us improve the content of the Website and to obtain overall statistics on your use of the Website. These statistics can be prepared by third parties, the latter being bound by an obligation of confidentiality.

Fondation IPSEN / Fondation de France will retain the personal data collected (the cookie identifier) during thirteen months.

This Cookies Policy was last modified in September 2022.
